The right page of the notebook features a large grid of graph paper. The grid is composed of 20 columns and 30 rows of small squares. A vertical red margin line is drawn on the left side of the grid, approximately one-fifth of the way from the left edge. The grid is mostly blank, with some very faint, illegible markings at the top.

Found the original NW pine with rusted  
location tag. Brills in 1933 calls this a  
Jack Pine but bark appears to be Red Pine. Also  
found pine stump at bearing and distance for NE  
original. Scraped ground 3' x 3' area for post  
but no conclusive evidence found. From the  
two orig. trees set a 48" x 2" flared base  
galvanized pipe with brass tablet

stamped:
