

DIRECTIONS TO ASSESSORS.

Office of County Auditor,

County, Mass., *June 1, 1873*

Sup
to Geo. H. Nichols
Assessor District

in the County of *Essex*.

In conformity to the requirements of law, I herewith deliver to you the assessment roll for the year 1873, containing all lands, city and town lots within the said *County*.

As Assessor of a District you are to examine and ascertain the last assessed value, so far as the same have come to my knowledge, from any source. And I hereby direct you to assess the same and make returns thereof to the Clerk of your Town on or before the second Monday in July of this year, as required by law, and also to furnish any lands, city or town lots which you may find subject to taxation, which have been omitted from the said roll and previously assessed.

You will also set forth each tract or lot of *real* property on which any building or structure of any kind, worth more than one hundred dollars, has been erected since the last assessment; the kind of structure and the value thereof, subject to such and proper abatements for loss or damage by fire, flood, or otherwise, of over one hundred dollars in such structures, you will state, as near as practicable, how much less such real property is worth in comparison of such structures, and make returns to the Clerk of your Town, as provided in section 11 of chapter 11 of the General Statutes, as amended.

And you are hereby directed to ascertain the proprietors of the real estate of all tracts of land, city and town lots, *city and town* lots, as being transferred by law, agreeably to section 11 of chapter 11 of the General Statutes.

You are also directed to make up the assessment of all personal property, money, credits, investments in bonds, stocks, and other securities, as otherwise, by your laws, and make returns thereof as required by law.

Your attention is called to an act approved February 22, 1871, entitled "An act to compel Assessors to assess all personal property within their towns by law."

A form of returns to be used thereon may be found in this book.

W. H. [Signature]
 County Auditor,
