

DIRECTIONS TO ASSESSORS.

Office of County Auditor,

County, Minn., *June 11 1873*

Wm. W. Middle
Assessor District

is the County Assessor.

In conformity to the requirements of law, I herewith deliver you the assessment roll for the year 1873, containing all lands, city and town lots within the said *County*

Assessor's District which you are directed to examine, ascertain the last assessment made, so far as the same have come to my knowledge, from any source, and I hereby direct you to assess the same and make returns thereof to the Clerk of your Town, on or before the second Monday in July of this year, as required by law, and add thereto any lands, city or town lots which you may find subject to taxation, which have been omitted from the roll, and not previously assessed.

You will also set forth with brief or full description of each property on which any building or structure of any kind, worth more than one hundred dollars, has been erected since the last assessment; the kind of structure and the value thereof, added to such real property, and in case of damage by fire, flood or otherwise, of over one hundred dollars in like description, you will state, so near as practicable, how much less such real property is worth in consequence of such destruction, and make returns to the Clerk of your Town, as provided in section 11 of chapter 11 of the General Statutes, as amended.

And you are hereby directed to ascertain the proportion of the valuation of all lands of land, city and town lots, and within an *Assessor's District* transferred by law, according to section 11 of chapter 11 of the General Statutes.

You are also directed to make out the assessment of all personal property, money, credits, investments in bonds, stocks, and other securities, or otherwise, in your town, and make returns thereof as required by law.

Your attention is called to an act approved February 22d, 1873, entitled "An act to regulate Assessors to assess all personal property situated and located by law."

A form of returns to be signed by you may be found in this book.

County Auditor,
 County, Minnesota.
