Tabular Statement Sheets of Personal Property

For the Town of Lima

NOTICE

There are double the number of these required to each assessment book, to enable the assessor to return a clean, correct abstract with his book, in case of failure in his first attempt.

For convenience of handling and use, abstract sheets are detached from the assessment book.

INSTRUCTIONS TO THE ASSESSOR

Place the assessment book in position for transcribing the total thereof, open it at the first page of the Personal Property part, place this Tabular Statement Sheet opened at the first page, in position between you and the assessment book, and write the words "No. 1" next to the right of the first word "Page"; then transcribe the footings, "Totals", of each column of articles and values, appearing on the first page of the assessment book, to the places opposite to and to the right of the words "Page No. 1", provided therefor in the corresponding columns of "Items" and "Values" hereon. In like manner, continue to transcribe the footings of each page of the Personal Property part of the assessment books (in numerical order) until finished. Then total the footings of each column of "Articles" and "Values" hereon, and prove the same, and, if found correct, and in good legitimate condition, place in the pocket found in the back of the assessment book. If you do not find sufficient room on one Tabular Statement to transcribe your entire book as above, you should use another one. In starting the second Tabular Statement you should bring forward your total footings from first and place them under proper headings at top of sheet.

Should this Tabular Statement, when transcribed and totaled, not be in good condition, then transcribe it to another Tabular Statement which is provided for that purpose as mentioned above.
