Dear Sir:-

I am enclosing herewith blank appraisal cards for your use in making returns on the added improvements on the Fish and LaPole properties. Be sure to insert the description of the property on which the buildings were added as this information was not given in your assessment book. Also, in the case of the building added on the Otto Melander property, you did not give the block number. Please furnish us with complete description on which this building was added so that we will get the entry right on the 1931 tax lists.

Thanking you for your early attention to the above, I am

Yours very truly,

ELO

County Auditor.
