Dear Sir

On Clarence Kinkels assessment, I didn't know any thing about the towers board raising my estimate so don't know how they figured it. I know this that it is away to high. my figures were plenty high enough. It is all raw land and mostly rock and hills. His house is about 18x18 old log. ready to fall down. I have raised the land and logs in proportion to the equalized figures.

Hope this is satisfactory.

Yours very truly
Ray Saxton
