

STATE OF MINNESOTA.

AUDITOR'S OFFICE

March 1, 1916.

TO COUNTY TREASURERS:

Section 5210, General Statutes of Minnesota for 1915, has been amended by the Legislature and has been designated Chapter 13, S.L. 1915, and reads as follows:

"Section 5210. Terms of Payment - Interest - The terms of payment on the sale of all state lands other than pine lands shall be as follows:- On those which are chiefly valuable for the timber thereon, the purchaser shall pay at the time of sale the value of such timber, and on other lands fifteen per cent of the purchase price. In all cases, including pine lands from which the timber has been sold, the balance of the purchase price shall be payable at any time within forty years, at the option of the purchaser, with interest at the annual rate of four per cent, payable on June 1st, in each year."

Following is the opinion of the Attorney General on this law:

"Replying to your letter of February 26th, relative to Chapter 13, General Laws 1915, I have to say that this Chapter amends Section 5210 of the General Statutes 1915 so that four per cent becomes the universal rate of interest on contracts outstanding for the sale of school lands without regard to the date when they were made.

I have also to say that, in my judgment if any person wished to pay up on any contract for the sale of lands by the State, he may do so at any time by paying the principal with the interest in full. Interest does not then become due "in advance", but as annual interest on ordinary obligations becomes due."

Therefore changes in the terms of sale on state lands have been made as follows:

1. Four per cent becomes the rate of interest on all land contracts.
2. The annual interest, payable on June 1st, each year, may be paid any time during the year without penalty. Interest becomes delinquent if not paid within the interest year and penalty should be figured at the rate of 12 per cent per annum.
3. The unpaid principal may now be paid at any time within 40 years from sale at the annual rate of 4 per cent. The additional one per cent interest charge heretofore collected when the principal had been paid within ten years from sale is eliminated.
4. If a person wishes to pay up on his land he may do so at any time by paying the principal and the interest figured from June 1st, to date of payment. Where 1914 interest is paid during March, April or May 1915, penalty should be figured to March 1st, only, but in case it is paid after June 1st, figure to date of payment. Figure penalty on 1915 and prior years to date of payment.

Yours truly,

 State Auditor.

Saint Paul Feb. 19, 1917.

To County Treasurers:

H. F. 561 was approved by the Governor January 29th and is now law.

This statute is as follows:

Section 1. That the treasurer of the state of Minnesota is hereby authorized to receive payment, up to and including December 31, 1918, of the principal on all state land certificates where the time for payment of the said principal has expired or will expire on or before July 31, 1917, and the governor of the state of Minnesota is hereby authorized to execute patents covering those tracts on which all demands due the state have been paid in full as hereinbefore provided.

Sec. 2. That interest on the principal remaining unpaid on July 31st, 1917, shall run thereafter at the rate of ten (10) per cent per annum until the said principal is paid in full.

You will note that it is now possible for you to accept payments on State land contracts where the forty year period has expired. Will you kindly notify those in your county having such contracts that payment may be made, will be accepted, and that patents will be issued; and that failure to pay will result in the imposition of the 10% interest rate?

Yours very truly,

J. A. O. Preus,

State Auditor.
