

**CERTIFICATE OF SURVEY FOR
Clarence Bastle**
Showing the situation along the line common
to Government Lots 6 & 7, Section 14,
T142N, R26W, Cass County, MN

Bearings are based on Grid North
State Plane Coordinate System
Minnesota North Zone (NAD 83)

Based on past usage of many years, The Bastle family in making a claim to the:

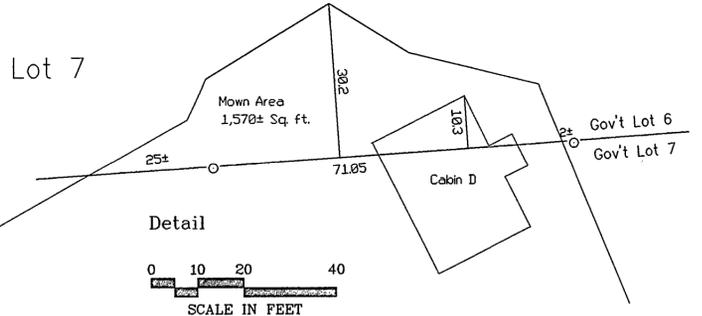

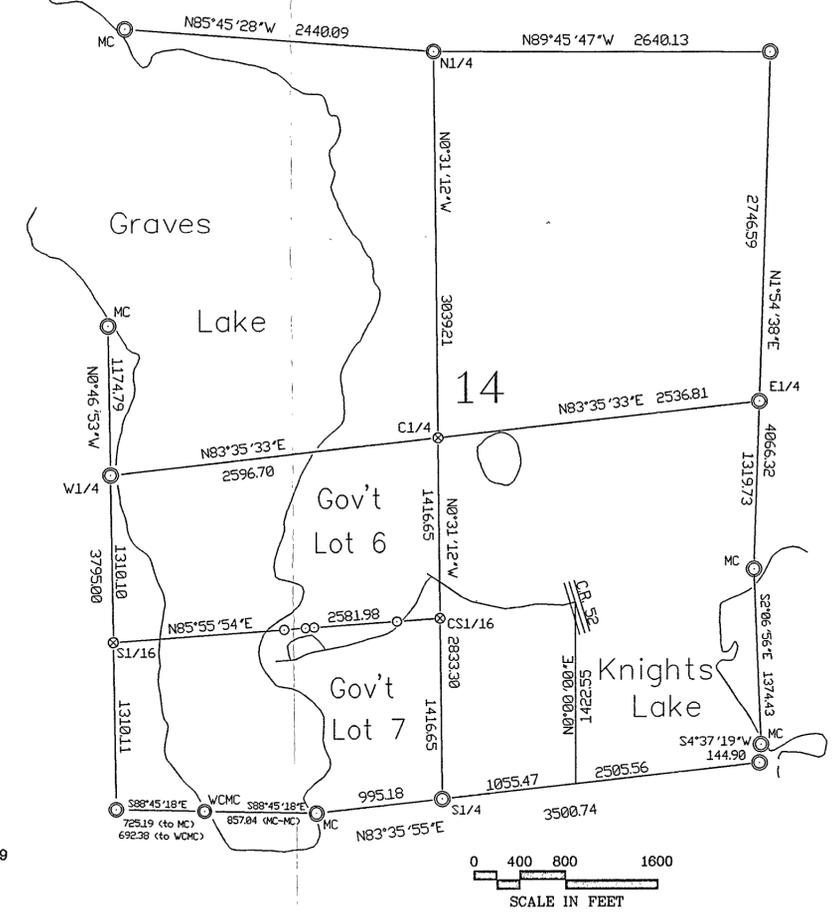

The Southerly 150 feet of Government Lot 6, Section 14, Township 142 North, Range 26 West, of the 5th Principal Meridian.

According to Clarence Bastle, the fork in driveways was established with the help of the Cass Co. Land Dept. The Fork is 4.130± South of the N1/4

LEGAL DESCRIPTION FOR ACCESS TO GOVERNMENT LOT 7
All that part of the S1/2, Section 14, Township 142 North, Range 26 West, Cass County, Minnesota, that lies within 16.5 feet of the following described centerline:
Commencing at the South Quarter Corner of said Section 14; thence N83°35'54"E, along the south line of said Section 14, a distance of 1055.47 feet; thence N0°00'00"E, a distance of 1422.55 feet, to the centerline of Cass County Road No. 52 and the point of beginning; thence S76°02'14"W, a distance of 98.91 feet; thence N86°37'13"W, a distance of 149.74 feet; thence N89°52'50"W, a distance of 72.74 feet; thence S78°25'19"W, a distance of 93.02 feet; thence S83°23'12"W, a distance of 141.17 feet; thence N78°08'24"W, a distance of 270.34 feet; thence N64°19'22"W, a distance of 95.01 feet; thence N56°08'19"W, a distance of 278.54 feet; thence S44°08'37"W, a distance of 51.90 feet; thence S31°49'11"W, a distance of 64.24 feet; thence S23°47'29"W, a distance of 126.30 feet; thence S37°26'17"W, a distance of 175.82 feet to the North line of said Government Lot 7 and there terminating.
Right-of-way lines are extended to and truncated by the North line of Government Lot 7.

**Retracement & Subdivision of
Section 14, T142N, R26W,
Cass County, MN**

Note: Prior to 1997, no complete subdivision of Section 14 had been performed by a Licensed Surveyor since the original General Land Office survey in the 19th century. A few of the original GLO corners had been found and maintained by Cass County surveyors, the U.S. Forest Service or private surveyors. The N1/4 of Section was the only 1/4 corner which was in place. In 1996-7, Northern Lights performed a retracement & subdivision survey of 8 sections in this township for the U.S. Forest Service. In the course of that survey, the E1/4, W1/4, and S1/4 corners of section 14 were re-established. As a result of that survey, section 14 was revealed to be somewhat distorted. In particular, the north-south position of the corners on the east side of Graves Lake was found to be quite a bit to the north of the corners on the west side of the lake.

After our survey, Landecker & Associates performed a boundary survey of Government Lot 6. In their work, they utilized the subdivision generated by Northern Lights in their Forest Service contract. Upon checking into the Landecker iron monuments along the line common to Government Lots 6 & 7, we find that Landecker's monuments were within 0.50 feet of where we would have set them according to the legal description.

Mr. Bastle's claim to the land north of Landecker's monumented line is therefore not based on a difference between the surveyors, but is based on a long term usage.

LEGEND

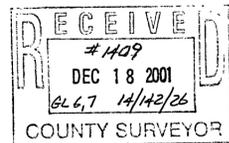

- ⊗ Calculated Position
- Monument Set/or Verified in 1996-7 USFS Cadastral Survey by Northern Lights, Marked 16089
- Found Pipe Set by Landecker & Assoc. in conformance with 1996-7 Survey, Marked 21367

SURVEYOR'S AFFIDAVIT

I hereby certify that this survey was prepared by me or under my direct supervision and that I am a duly Licensed Land Surveyor under the laws of the State of Minnesota.

LaVerne Leuelling
