SURVEYOR'S NOTE:

The existing description of the Government Lot 6 parcel is ambiguous. In 1994, there was a law passed to allow sale of some land to the City of Walkert to resolve an encroachment of the city sewer ponds on state property. (See Laws of Minnesota for 1994, Ch. 579, Section 3). The description in said law provides for resolving the encroachment and also clearing up the ambiguous description. There appears nothing of record that the transfer has taken place. The descriptions for Tracts B and C and the Utility Easements are written to follow the description in said law.
