Note: This Sketch and Description has been prepared without the benefit of a field survey. The sketch and description is based on available survey information, namely, Certificate of Survey for the USFS, Doc. #355437, and a 2004 Certificate of Survey prepared by Landecker & Associates. Northern Lights Surveying has not verified these measurements. No attempt has been made by Northern Lights Surveying to locate the described properties on the ground or improvements on the subject property or adjacent properties. The new boundary line is established per clients direction.

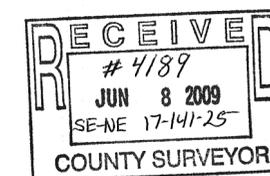

The East line of the SE 1/4 of the NE 1/4 is assigned to bear N0°06'03"E for this project.
