I hereby certify that this is a true and correct representation of a survey of the boundaries of the land described above: that Minnesota Highway No 84 as shown on the survey is the same property as that described in a final Certificate dated February 9, 1942, filed June 2, 1942, and recorded in Book 82 of Deeds, page 600, insofar as the property described in said final Certificate affects the land described above. It does not purport to show improvements or encroachments, if any. As surveyed by me this 25th day of March, 1975.
