In 1917, Albinus N. Kimmell, a US Cadestral engineer set a 1"x36" iron pipe with brass cap for AP 3 TR 1693 and AP 4 TR 1313. No BT's were made.

On October 24, 1981, Walter E. Curo and Paul Johnson found the brass cap monument in good condition from which we made the BT's as shown on the front.
