County Recorder Beulah Hendrick  
By MS, Deputy

DOCUMENT NO. 264933

Statement of Evidence:

- 1917 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 7" R. Oak N  $6\frac{1}{2}$  E 62 links and 6" Poplar N 31 W 95 links.
- 1965 U.S. Forest Service records show the following: L. Witthoeft found GLO brass cap monument.
- 1981 U.S. Forest Service technician W. Olsen found the corner monumented with a GLO brass cap monument in good condition up 0.4'. The following bearing trees were found: 11" R. Oak stump N  $6\frac{1}{2}$  E 40.9' rotted and mostly down. Three new bearing trees were marked and are shown on this certificate. Steel sign posts were set 4.0' west and 4.0' south of the corner.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 On Sept. 9 I visited the corner and found items as per the 1981 USFS reports. The R. Oak stump reported in 1981 is old rotted log laying to the south. I found no evidence of scribe marks. There was some evidence that an old scar faced south when the tree was standing. A 10" R. Oak appears to be growing out of the old stump. With the found monument securely in place and the evidence of the R. Oak, I accepted the monument as marking the same position as when set in 1917.
