County Recorder Deulah Herdink

By MS, Deputy

DOCUMENT NO. 265256

Statement of Evidence:

- 1917 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 10" Oak N $3\frac{1}{2}$ E 46 links and 5" Oak N 63 W 79 links.
- 1971 Robert F. Schneider, RLS #5740, surveyed plat of REHM'S ESTATES filed in October, 1971. Plat borders the east line of the NE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Sec. 30. His notes show GLO brass cap monument found in place and used.
- 1981 U.S. Forest Service technician W. Olson found the corner monumented with a GLO brass cap monument in good condition up 0.5'. The following bearing trees were found: 10" W. Oak S 63 W 52.14' with blaze scar overgrown. Two new bearing trees were marked and are shown on this certificate.
- 1982 On Sept. 9 I visited the corner and found items as per the 1981 USFS reports. I accepted the monument as marking the same position as when set in 1917 by the GLO resurvey based on the one bearing tree found and R.F. Schneider's traverse information.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
