Statement of Evidence:

Original Government Survey

Corner was set in 1865 by Wright & Walker
In 1973 Myron Landecker, Registered Land Survey #7452, doing research found 2" X 2" wood stake, replace it with a 2" iron.

On 6/20/76 and 9/6/77 Myron Landecker used same corner in surveys in

Section 4, Township 139, Range 29.
On 7/14/81 Myron Landecker found a new 2" galvanized pipe at same corner location and used it in the section subdivision of

Section 4, Township 139, Range 29.
Myron Landecker believes said corner to be a perpetuation of the original Government corner.
