County Recorder Clondine Kaylor
By MS, Deputy

DOCUMENT NO. 279373

Statement of Evidence:

- 1918 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 10" J. Pine S $43\frac{1}{4}$ E 432 links and 14" R. Oak S $22\frac{1}{2}$ W 582 links.
- 1980 U.S. Forest Service technician W. Olson found the corner monumented with a GLO brass cap monument under ice and leaning. Monument was straightened. The following bearing trees were found: 14" J. Pine stump at correct bearing and within 2' of record distance. Three new bearing trees were marked and are shown on this certificate.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1918 by the GLO resurvey based on bearing tree evidence.
