This corner was originally established in April, 1876, by B.C. Baldwin, Deputy Surveyor. The field notes of that survey are filed in the office of the Secretary of State, St. Paul, Minnesota. Mr. Baldwin's notes state that a post was set to mark the corner and referenced by the following:

A 8" Balsam that bears N53°W a distance of 38 links [25.08 feet]
A 5" Ironwood that bears S4°E a distance of 34 links [22.44 feet]

On June 29, 1984, personnel from Advance Surveying & Engineering Co. made a thorough search for this corner and the above mentioned references but to no avail. This area has been logged off years ago.

On October 24, 1984, an additional search was made by Advance prior to reestablishing this corner position by "Lost" methods halfway and on line between adjacent Section corners and monumented as shown on the sketch.
