The notes of this survey are on file in the office of the Secretary of State, St. Paul, MN.

In 1921 James Flynn, Cass County Surveyor, was at the corner. He set a $1\frac{1}{2}$ "x44" iron monument to perpetuate the corner. The corner was set at proportional distance. Cass County Survey Book C, page 416, Cass County Courthouse, Walker, MN.

In 1963 William H. Okerman, RLS, was at the corner. He found the remains of a 2" Dia. iron pipe which was set by Cass County Surveyor Flynn in 1921. Okerman proceeded to set a 2" I.D.x 60" long galvanized steel monument filled with concrete and capped with a 3" Dia bronze tablet stamped to identify the corner in place of Flynn's pipe. Three bearing trees were marked and recorded as accessories; A 12" Tamarack that bears N83°E-62.5 feet; a 23" Red Pine that bears N13°E-155.0 feet; and an 8" Oak that bears S71°W-29.3 feet.
