## Statement of Evidence:

South Quarter corner Section 18, T. 135, R. 29.

- 1865 A post was set during Original Government Survey.
- 1906 John Curo finds stumps of original Gov't bearing trees (Bk. B p. 128-131)
- 1920 E.L. Tusler (Bk. C p. 377) sets 1/4 corner 2393.50 feet east of SW corner.
- 2003 Westwood Professional Services, Inc. performs survey in Sec. 18. The overall distance along the south line of Sec. 18 measures 4998.05 feet compared to 4992 feet by Tusler in 1920 (Bk. C p. 377). Westwood Professional Services, Inc. sets S1/4 at proportion position. This fits fence to north and agrees with distance shown by Tusler from SW corner to S1/4 2393.50 (Tusler) to (2393.54 WPS). Ties are established as shown on face of this certificate.
