Nov. 2010 Craig E. Johnson, LS, CFedS, set a 1/2 iron pipe capped No. 44530, 0.5 feet below the surface of the gravel road. The corner was established by projecting a straight line from a found iron at the NE corner of Section 6 to a found iron at the SE corner of Section 18 and at it's intersection with an old east/west fence on the south line of Section 7, there are east/west fences in section 18 at both 16th lines and the Quarter line, 2 of the 3 fences can be made to correlate with each other. The set iron was accepted as the corner and ties were taken as depicted on the face of this certificate.
