Index No. C.0-13.0

Statem	Statement of Evidence		
East Quarter corner of Section 4, Township 139 North, Range 25 West, 5th Principal Meridian.			
Nov.17 1863	G. Johnson and A. Thornton, General Land Office (GLO) Deputy Surveyors, in the subdivision of this township, set a post for the original corner with bearing trees as follow: 12" Aspen N 40° E 29 links (19.14 feet) 13" Aspen S 48° W 26 links (17.16 feet) The original plat and above record are archived with the Minnesota Historical Society, St. Paul, Minnesota, copies are filed with Cass County Highway Department/Surveyor's Office.		
March 2014	NWSE, Robert Kovanen, LS 16459, reviewed existing information and determined the corner lost. A position was computed at single proportion between the established and certified Northeast and Southeast corners of Section 4.		
April 2014	NWSE, crew of Bomstad and Walker-O'Beirne made a search for the subject corner with no recovery. A ½ by 18 inch rebar, capped LS 16459 was placed at the lost position described above. The monument, together with the recovered and established references for the position is shown on the face of this document.		
Analysis of the recovered record data, field evidence and survey measurements, indicates that the monument established by NWSE in 2014 is the accepted location of this corner.
