Record on file with the Minnesota Historical Society in St. Paul, MN and copies filed with the Cass County County Highway Department, Surveyors Office (CCHD/SO).

2020 Lakes Area Surveying searched the area for all previous evidence. No evidence from previous surveys was found. This corner was set at a lost position between the North Quarter Corner of Section 4 and the North Quarter Quarter of Section 5. This location is accepted as being the best available evidence for this corner.

Analysis of the recovered record data, field evidence and survey measurements, indicates that the monument set by Lakes Area Surveying in 2020 is the accepted location of this corner.
