*Old Gov't
B.T.*

Marks _____

Species Aspen _____

Diameter 6" _____

Bearing S89°W. _____

District ^{once} ~~not~~ 9781Ks. _____

Metal poster on _____

Remarks: *Began from the N.W. corner of Sec. 22 and run East on section line, Va. 7°. At 30+29 I found Old Aspen B.T. fallen over and lodged in a bunch of Willows. Ax marks indicated old B.T. but scribe marks all rotted out. Found old Aspen stump. No other stumps around there. Established corner from this old B.T. stump.*

Date 2/17/34 Signed J. A. Gjelhaug.
