Asst. Ranger

(Title)

12/1/36

(Date)

Corner again.
 Another metal location poster is on maple
 B.T. described on other side of this page.
 Balsam B.T. had been hauled off land
 partially reported - only stump remained.
 Cobalt corner could not be found &
 country rather not accessible as we not
 corner post when position and faces of
 B.T.'s indicated shown above. B.T. Cobalt
 post was painted white.

Metal Location Poster is on a maple
 tree 13 inches diameter, on the SE
 side of ~~the~~
 from which this Corner bears $55^{\circ} E$
 35 links chains distant.
 Give any further facts which will aid in finding this

(Make sketch of topography near Corner)

Corner again.

Another metal location poster on maple

B.T. described on other side of this path.

Barham B.T. had been advised off land

partially supported - only stump remaining.

Country corner could not be found &

surely not identifiable as we got cedar

post where position and face of B.T.'s

indicated either stayed in cedar post

area pointed white. Search within area is

not on ground any more
